1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; DEFINITIONS.**

4 (a) SHORT TITLE.—This Act may be cited as the  
5 “Piedras Blancas Historic Light Station Outstanding  
6 Natural Area Act of 2007”.

1 (b) DEFINITIONS.—For the purposes of this Act, the  
2 following definitions apply:

3 (1) SECRETARY.—The term “Secretary” means  
4 the Secretary of the Interior.

5 (2) LIGHT STATION.—The term “Light Sta-  
6 tion” means Piedras Blancas Light Station.

7 (3) PUBLIC LANDS.—The term “public lands”  
8 has the meaning stated in section 103(e) of the Fed-  
9 eral Land Policy and Management Act of 1976 (43  
10 U.S.C. 1703(e)).

11 (4) OUTSTANDING NATURAL AREA.—The term  
12 “Outstanding Natural Area” means the Piedras  
13 Blancas Historic Light Station Outstanding Natural  
14 Area established pursuant to section 3.

15 **SEC. 2. FINDINGS.**

16 Congress finds as follows:

17 (1) The publicly owned Piedras Blancas Light  
18 Station has nationally recognized historical struc-  
19 tures that should be preserved for present and fu-  
20 ture generations.

21 (2) The coastline adjacent to the Light Station  
22 is internationally recognized as having significant  
23 wildlife and marine habitat that provides critical in-  
24 formation to research institutions throughout the  
25 world.

1           (3) The Light Station tells an important story  
2 about California’s coastal prehistory and history in  
3 the context of the surrounding region and commu-  
4 nities.

5           (4) The coastal area surrounding the Light Sta-  
6 tion was traditionally used by Indian people, includ-  
7 ing the Chumash and Salinan Indian tribes.

8           (5) The Light Station is historically associated  
9 with the nearby world-famous Hearst Castle (Hearst  
10 San Simeon State Historical Monument), now ad-  
11 ministered by the State of California.

12           (6) The Light Station represents a model part-  
13 nership where future management can be success-  
14 fully accomplished among the Federal Government,  
15 the State of California, San Luis Obispo County,  
16 local communities, and private groups.

17           (7) Piedras Blancas Historic Light Station  
18 Outstanding Natural Area would make a significant  
19 addition to the National Landscape Conservation  
20 System administered by the Department of the Inte-  
21 rior’s Bureau of Land Management.

22           (8) Statutory protection is needed for the Light  
23 Station and its surrounding Federal lands to ensure  
24 that it remains a part of our historic, cultural, and

1 natural heritage and to be a source of inspiration for  
2 the people of the United States.

3 **SEC. 3. DESIGNATION OF THE PIEDRAS BLANCAS HISTORIC**  
4 **LIGHT STATION OUTSTANDING NATURAL**

8 applicable laws.

10 and in accordance with the existing withdrawal as set  
11 forth in Public Land Order 7501 (Oct. 12, 2001, Vol. 66,  
12 No. 198, Federal Register 52149), the Federal lands and

6 (b) USES.—Subject to valid existing rights, the Sec-

18          the resources of the Outstanding Natural Area and  
19          the interpretive, education, and long-term scientific  
20          uses of the resources, giving priority to the enforce-

16 activities for the purposes identified in section 3(a) and  
17 pursuant to section 307(a) of the Federal Land Policy and  
18 Management Act of 1976 (43 U.S.C. 1737(a)).

19           (f) ACQUISITION.—State and privately held lands or  
20 interests in lands adjacent to the Outstanding Natural

8           (h) OVERFLIGHTS.—Nothing in this Act or the man-  
9 agement plan shall be construed to—

10           (1) restrict or preclude overflights, including  
11 low level overflights, military, commercial, and gen-  
12 eral aviation overflights that can be seen or heard  
13 within the Outstanding Natural Area;

14           (2) restrict or preclude the designation or cre-  
15 ation of new units of special use airspace or the es-
