

FISCAL NOTE

SB 3383

January 23, 2008

SUMMARY OF BILL: Changes privilege tax exemption requirement by requiring water or energy fuel used by or sold to manufacturers to only come into contact, instead of coming into direct contact, with the article that is being fabricated or processed.

ESTIMATED FISCAL IMPACT:

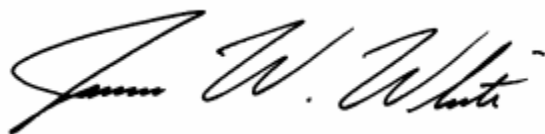

MINIMAL

Assumptions:

- Water or energy fuel must still come into contact with articles being fabricated or processed.
- The proposed requirement will not be interpreted any differently than the current requirement.
- This bill does not change current law.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
