

January 10, 2007

The Honorable Brenda Landwehr, Chairperson
House Committee on Health and Human Services
Statehouse, Room 115-S
Topeka, Kansas 66612

Dear Representative Landwehr:

SUBJECT: Fiscal Note for HB 2009 by Representatives Kiegerl and Hill

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2009 is respectfully submitted to your committee.

Under current law, a pharmacist is restricted to administering vaccines and immunizations to patients 18 years of age or older. HB 2009 would remove this restriction, thereby allowing a pharmacist to administer vaccines and immunizations to patients of any age.

The Kansas State Board of Pharmacy and the Kansas Board of Healing Arts indicate that the passage of HB 2009 would have no fiscal effect on their operations.

Sincerely,

Duane A. Goossen
Director of the Budget

Debra Billingsley, Pharmacy
