

HB 1963 -- Caller Identification Spoofing

Sponsor: LeVota

This bill creates the crime of caller identification spoofing. A person will be guilty of a class D felony if he or she places a phone call by any method having knowingly inserted false information into his or her caller identification system with the intent to mislead, defraud, or deceive the recipient of the telephone call.

The blocking of caller identification information by individuals; federal, state, or local law enforcement agencies; or the intelligence and security agencies of the federal government is exempt from the provisions of the bill.
