

SESSION OF 2008

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 615**

As Amended by Senate Committee on  
Judiciary

**Brief\***

SB 615, as amended, would amend the Kansas Automobile Injury Reparations Act (KAIRA). The bill would:

- Authorize a court to order that a convicted person's motor vehicle be impounded or immobilized for up to 30 days for failure to maintain financial security or liability insurance;
  - Prior to impounding or immobilizing a motor vehicle, the court would be required to consider whether it would cause the owner or a member of the owner's family to experience a loss of employment or whether someone would be impaired from seeking medical care or attending school;
  - The owner would be allowed to retrieve personal property from the motor vehicle prior to or during the impoundment or immobilization;
  - If the motor vehicle is leased, and the lease would expire prior to the expiration of the impoundment or immobilization period, the motor vehicle could be removed at the end of the lease.
  
- Prohibit the owner of a motor vehicle from recovering the first \$5,000 of property damage to his or her motor vehicle if the owner failed to maintain financial security on the vehicle;

- Exempt a lienholder from the prohibition from recovering for property damage to a motor vehicle.

## **Background**

The proponent of the bill was Matthew Goddard, Heartland Community Bankers Association. Mr. Goddard suggested the bill be amended to distinguish between the automobile of an uninsured motorist and the collateral the automobile represents to a lender. He provided the Senate Committee with a balloon amendment which would provide that a lender, with a perfected security interest, would be able to recover the first \$5,000 in property damage to its collateral.

The opponent of the bill was Callie Denton Hartle, Kansas Association for Justice. Ms. Denton Hartle testified the purpose of the purpose of KAIRA is to provide a means of compensating persons promptly for accidental bodily injury arising out of the ownership, operation, maintenance, or use of motor vehicles in lieu of liability for damages. She opined that most uninsured motorists would buy insurance if they could afford it. She also opined that the enhanced penalties in the bill will likely not increase uninsured motorists' compliance with the law.

The Senate Committee on Judiciary amended the bill to clarify that the provisions of the bill do not prevent a lienholder from recovering for any property damage to a motor vehicle.

The fiscal note from the Division of Budget on the bill, as introduced, indicates passage of the bill would have no fiscal effect on either the Department of Insurance or the Office of Judicial Administration.
