EXPENDITURE EXPLANATION

This legislation would require the staff of the Ethics Administration Program to make changes to information sheets produced and distributed by the Ethics Administration Program on the provisions of the Ethics Code and the lobbying laws. However, these are costs that can be absorbed in the current budget and would not require additional funding.

REVENUE EXPLANATION

The board may impose a fine for violating the provisions provided for in this bill. The board cannot predict the amount of fines that may be imposed. All fees and fines are deposited in the general fund.
