EXPENDITURE EXPLANATION

This legislation would require the staff of the Ethics Administration Program to make changes to information sheets produced and distributed by the Ethics Administration Program on the provisions of the Campaign Finance Disclosure Act. However, these are costs that can be absorbed in the current budget and would not require additional funding. It is unknown how many complaints would be filed with the Ethics Board because of the proposed legislation. If substantially more complaints are filed additional staff (attorney, investigator and clerical) and resources may be required.

REVENUE EXPLANATION

The board may impose a fine for violating the provisions provided for in this bill. The board cannot predict the amount of fines that may be imposed. All fees and fines are deposited in the general fund.
