
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Michelle Broussard-Johnson.

DIGEST

Present law allows for the secretary of Public Safety and Corrections to establish a special prestige license plate, to be known as the Delta Sigma Theta Sorority plate.

Present law provides for license plate issuance to any member of Delta Sigma Theta Sorority and an annual royalty fee of \$25 for use of the sorority logo and monies received from the royalty fees for each issuance plate renewal shall be retained by the sorority.

Proposed law retains present law and removes the provision requiring 1000 applications be received before the license plate be made available.

Effective August 15, 2008.
