Provides for changes to the enforcement of certain provisions of the International Residential Code

Proposed legislation removes Part IV-Energy Conservation from the International Residential Code from being included within the Louisiana Uniform Building Code. Proposed legislation repeals R.S. 40:1730.28(A)(3)(e) in its entirety, which is language that originally included Part IV-Energy Conservation from the International Residential Code being a standard for the statewide uniform building code. R.S. 40:1730.28 is the statute that is the mandatory adoption of certain nationally recognized codes and standards (International Residential Code). Effective August 15, 2008.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. This legislative measure adds an additional chapter from the International Residential Code to be excluded from the Louisiana statewide building code. Other chapters of the IRC that are also excluded from the statewide building code include: Part V-Mechanical, Part VII-Plumbing and Part VIII-Electrical. These exclusions are included within R.S. 40:1730.28.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
