**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure. The bill is being proposed to cleanup sections of the revised statutes. Deleting the fee amounts from these sections will have no impact on the fees charged by the Secretary of State, since the agency currently promulgates rules for fees charged under the authority of a different section of the statutes (R.S. 49:222).
