HOUSE BILL NO. 852

BY REPRESENTATIVES AUSTIN BADON, BARROW, BILLIOT, GISCLAIR, HARDY,
HENRY, LAFONTA, MARCHAND, PATRICIA SMITH, AND ST. GERMAIN

MTR VEHICLE/VIOLATIONS: Prohibits the use of a wireless telephone or electronic
communications device while driving

1 AN ACT

2 To enact R.S. 32:300.5, relative to the use of telephones and electronic communication
3 devices while driving; to prohibit the use of wireless telephones while driving; to
4 prohibit text messaging and e-mailing while driving; and to provide for related
5 matters.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. R.S. 32:300.5 is hereby enacted to read as follows:

8 §300.5. Wireless telephones and electronic communication devices; use prohibited
9 while driving

10 A.(1) The use of a wireless telephone or electronic communication device
11 by an operator of a moving motor vehicle on a public road or highway shall be
12 unlawful, except when the telephone is a hands-free wireless telephone or the
13 electronic communication device is used hands-free, provided that its placement does
14 not interfere with the operation of federally required safety equipment and the
15 operator exercises a high degree of caution in the operation of the motor vehicle.

16 (2) This Section does not apply to the use of a wireless telephone or
17 electronic communication device for the purpose of communicating with any of the
18 following regarding an emergency situation:

1 (a) An emergency system response operator or 911 public safety
2 communications dispatcher.

3 (b) A hospital or emergency room.

4 (c) A physician's office or health clinic.

5 (d) An ambulance or fire department rescue service.

6 (e) A fire department, fire protection district, or volunteer fire department.

7 (f) A law enforcement agency.

8 B. For purposes of this Section, the following words and phrases shall mean:

9 (1) "Electronic communication device" shall mean a device capable of
10 sending or receiving communications without an access line for service and which
11 requires the operator to manually insert letters or figures. It does not include citizens
12 band radios, citizens band radio hybrids, commercial two-way radio communication
13 devices, or electronic communication devices with a push-to-talk function.

14 (2) "Hands-free wireless telephone" shall mean a mobile telephone that has
15 an internal feature or function, or that is equipped with an attachment or addition,
16 whether or not permanently part of such mobile telephone, by which a user engages
17 in a conversation without the use of either hand, provided, however, this definition
18 shall not preclude the use of either hand to activate, deactivate, or initiate a function
19 of the telephone.

20 (3) "Use" of a wireless telephone or electronic communication device shall
21 include but not be limited to talking or listening to another person on the telephone,
22 text messaging, or sending an electronic message via the wireless telephone or
23 electronic communication device.

24 (4) "Wireless telephone" shall mean a device capable of sending or receiving
25 telephone communications without an access line for service and which requires the
26 operator to dial numbers manually. It does not include citizens band radios or
27 citizens band radio hybrids.

28 C. A person found in violation of this Section shall be fined, for a first
29 violation, not less than one hundred dollars; for a second violation, not more than one

- 1 hundred fifty dollars; for a third violation, not more than two hundred dollars; and
 2 for a fourth or subsequent violation, not more than two hundred fifty dollars.
 3 Section 2. This Act shall become effective on January 1, 2009.

HB No. 852

Abstract: Prohibits the use of wireless telephone or electronic communication devices by operators of moving motor vehicles except when the device is a hands-free wireless telephone or the electronic communication device is used hands-free or for an emergency and to provide for penalties.

Proposed law prohibits the use of wireless telephone or electronic communication devices by operators of moving motor vehicles except when the device is a hands-free wireless telephone, or the electronic communication device is used hands-free or for an emergency.

Proposed law defines the terms "electronic communication device", "hands-free wireless telephone", "use", and "wireless telephone".

Proposed law provides that the penalty for a violation of proposed law shall be \$100 for the first violation, not more than \$150 for a second violation, not more than \$200 for a third violation, and not more than \$250 for a fourth or subsequent violation.

Effective Jan. 1, 2009.
