

HB 2475 -- Prosecuting Attorneys and Circuit Attorneys'
Retirement System

Sponsor: Stevenson

This bill removes the definition of "average final compensation" and replaces it with the definition of "final average salary" as it relates to the Prosecuting Attorneys and Circuit Attorneys' Retirement System. "Final average salary" is the compensation paid to an employee for the two consecutive years prior to retirement divided by 24, excluding any employer-paid fringe benefits, medical benefits, contributions to a deferred compensation plan or trust, or nonrecurring or unusual payments that are not part of his or her regular salary.

A \$4 surcharge is authorized to be collected against any person who pled guilty and paid a fine through a fine collection center, including any county ordinance violation or traffic violation, to be payable to the Missouri Prosecuting Attorneys' Retirement System Fund.
